- The Supplier acknowledges and agrees that by performing, or commencing performance, of the Deliverables, it accepts the Agreement as the sole basis for the supply of the Deliverables and that the Agreement overrides (and operates to the exclusion of) any terms and conditions provided on behalf of the Supplier (including, without limitation, any terms and conditions appearing in or on any docket, invoice or other documentation of the Supplier) to Uniting.
- Notwithstanding anything to the contrary contained in the Other Agreement (if any), the Agreement (comprising, for the avoidance of doubt, all of its constituent parts and documents) contains the entire understanding and agreement of the parties about the supply and/or performance of *Deliverables* by the Supplier (such sale and supply being the 'Subject Matter'), and supersedes, terminates and replaces all prior representations, negotiations, agreements, arrangements, understandings and other communications between or involving the Supplier and Uniting about the Subject Matter.
- To the extent of any inconsistency between the documents constituting these Terms and Conditions, and notwithstanding anything else to the contrary in those documents, the following order of precedence will apply:
 - the Special Conditions;
 - the balance of these Terms and Conditions (excluding the Special Conditions and any schedules, annexures or other attachments hereto); and
 - any schedules, annexures or other attachments hereto (excluding the Special Conditions).
- The Agreement may be varied only by written agreement between the parties. INVOICES AND PAYMENT.

- If the Security constitutes a 'security interest' under the Personal Property Securities Act 2009 (Cth) ('PPSA') which may be 'perfected' under the PPSA by registering the security interest on the Personal Property Securities Register, the Supplier agrees that Uniting may so register that security interest. The Supplier waives its rights to receive any notice that is required by any provision of the PPSA (including a notice of a verification statement).
